

Japan's Assistance to Timor-Leste

Signing ceremony with 2 national NGOs

for the projects in related with primary and secondary education

5 November, 2013

The Government of Japan held a joint signing ceremony with 2 national NGOs for the projects related to primary and secondary education. The Government of Japan provided over US\$240,000 dollars in total for the following 2 projects to meet basic human needs at the grass-roots level and contribute to local communities, under Japan's Grant Assistance for Grass-roots Human Security Projects (GGP).

H. E. Mr. Rui Hanjan, Advisor, Ministry of Education and distinguished guests attended the signing ceremony.

[Project Name/Recipient/ Amount of Assistance]

1. The Project for the Construction of School Building of Manleuana Village Primary and Junior High school in Dili District/ Hamahon Foundation/ US\$ 121,000
2. The Project for the Construction of School Building of Primary and Junior High school in Debos Village, Suai Sub-district, Covalima District/ Hametin Lia Tatori (HLT)/ US\$ 121,62

Since 2000, the Government of Japan has implemented 76 projects in all 13 districts of Timor-Leste, providing water supply systems, irrigation channels, constructing and rehabilitating school buildings and other important infrastructures for the local communities. The Government of Japan implemented 16 projects for primary and secondary education. Adding new 2 projects marks 18th project under the GGP project.
