

Japan's Assistance to Timor-Leste

The signing ceremony of *“Bobonaro WASH Improvement through Community Empowerment Project”*

28 February, 2013

A signing ceremony of the Grant Contracts for the *“Bobonaro WASH Improvement through Community Empowerment Project”* which will be implemented by World Vision Japan, was held at the Embassy of Japan. The Government of Japan provided US\$609,159 to WVJ under the Grant Assistance scheme for the Japanese NGOs.

With the grant, WVJ will build three new water supply systems in Bobonaro District, which will greatly contribute to the improvement of livelihood and health of the people in the community.

At the signing ceremony, H.E. Mr. Elias Moniz, Secretary of State for Water, Sanitation and Urban Development and many representatives of Bobonaro District celebrated this occasion with WVJ staff.
