

**APPLICATION GUIDELINES
JAPANESE GOVERNMENT (MEXT) SCHOLARSHIP FOR 2018
(COLLEGE OF TECHNOLOGY STUDENTS)**

The Ministry of Education, Culture, Sports, Science and Technology(MEXT) offers scholarships to international students who wish to study at Japanese college of technology of the Japanese Government (MEXT) Scholarship Program for 2018 as follows.

1. DEFINITION OF “COLLEGE OF TECHNOLOGY STUDENTS”

Those who are enrolled in a course of study or in an advanced course at a college of technology, or who are receiving preparatory education in the Japanese language and other subjects prior to placement at the college of technology.

2. FIELDS OF STUDY

Those who wish to study in Japan as students at a college of technology must choose a field of specialization (major) from among (1) to (8) below.

- (1) Mechanical Engineering; (2) Electrical and Electronic Engineering;
- (3) Information, Communication and Network Engineering; (4) Materials Engineering; (5) Architecture;
- (6) Civil Engineering; (7) Maritime Engineering; (8) Other Fields

Note 1: Applicants must select a “Field of study” and “Majors and related key terms” from the Annex “Majors and Related Key Terms for Fields of Study” and enter them in “Preferred Field of Study and Majors elements” on the application form. Applicants may enter a first, second and third choice of field of study. For each of the three choices be sure to enter your desired subject of study.

Note 2: “(4) Materials engineering” may not be studied in combination with other fields of study. Applicants wishing to choose more than one major, should select their first, second and third choice of major from ones under “(4) Materials engineering.”

Note 3: An Applicant who wishes to “(7) Maritime engineering” must have vision of 0.5 or more in either eye with or without glasses, and no color-blindness.

Note 4: Applicants for a major in the fields categorized as “(8) Other Fields” (International Communication, Management Information Engineering, etc.) may have difficulties in finding colleges of technology capable of accepting them.

3. QUALIFICATIONS AND CONDITIONS

MEXT is now accepting applications from international students for study in Japan. Our aim is to foster human resources who will become bridges of friendship between grantee’s country and Japan through study in Japan and who will contribute to the development of both countries and the wider world.

- (1) Nationality: Applicants must have the nationality of a country that has diplomatic relations with Japan. An applicant who has Japanese nationality at the time of application is not eligible. However, persons with dual nationality who hold Japanese nationality and whose place of residence at the time of application is outside of Japan are eligible to apply as long as they choose the nationality of the foreign country and give up their Japanese nationality by the date of their arrival in Japan. Applicant screening will be conducted at the Japanese Embassy/Consulate General (hereinafter referred to as the “Japanese diplomatic mission”) in the applicant’s country.
- (2) Age: Applicants, in principle, must have been born between April 2, 1996 and April 1, 2001.
- (3) Academic Background: Applicants, in principle, must have graduated from an upper secondary school (viz. have completed 11 years of school education starting from elementary school). (Applicants who will meet the above qualifications by March 2018 are eligible.)
- (4) Japanese Language: Applicants must be willing to learn Japanese. Applicants must be interested in Japan and be willing to deepen their understanding of Japan after arriving in Japan. In addition, in general, applicants must be willing to receive college of technology education in Japanese.
- (5) Health: Applicants must submit a health certificate in the prescribed format signed by a physician attesting that the applicant has no physical or mental conditions hindering the applicant’s study in Japan.

- (6) Arrival in Japan: In principle, the selected applicants must be able to arrive in Japan between the 1st and 7th of April 2018.
- (7) Visa Requirement: The applicant shall receive a “Student” visa, as stipulated in Appended Table 1(4) of the Immigration Act, and enter Japan with the residence status of “Student.” In regards to the visa, it should, in principle, be issued at the Japanese diplomatic mission in the applicant’s country.
- (8) Others: While the applicant is studying in Japan, he/she shall contribute to mutual understanding between Japan and the home country by participating in activities at schools and communities with the aim of contributing to the internationalization of Japan. The applicant shall make efforts to promote relations between the home country and Japan by maintaining close relations with the university attended after graduation, cooperating with the conducting of surveys and questionnaires after the return home, and cooperating with all relevant projects and events conducted by Japanese diplomatic missions in the applicant’s country.
- (9) Any applicants who meets any or all of the following conditions is ineligible. If identified after the start of the scholarship period, the applicant will be required to withdraw from the scholarship:
 - ① Those who are military personnel or military civilian employees at the time of their arrival in Japan;
 - ② Those who cannot arrive in Japan during the period designated by MEXT or the accepting college;
 - ③ An applicant who is a previous recipient of a Japanese government scholarship;
 - ④ Those who are currently also applying to another program (Research Students, Undergraduate Students, Specialized Training College Students programs) under the Japanese Government (MEXT) scholarship system;
 - ⑤ Those who are already enrolled in a Japanese university or other institution with a residence status of “Student,” or who are enrolled, or plan to enroll, in a Japanese university or other institution as a privately-financed international student from the time of application to the MEXT scholarship program in the applicant’s country until the commencement of the period of the MEXT scholarship. However, this stipulation does not apply to those who, even though they are currently studying as a privately-financed international student in Japan, verifiably complete their studies within the end of the fiscal year and return to their home country;
 - ⑥ Applicants who are expected to graduate at the time of application and cannot satisfy the qualifications and the conditions related to academic background by the deadline given;
 - ⑦ Those who are planning to receive scholarship money from an organization other than MEXT (including a government organization of the applicant’s country) on top of the scholarships provided by MEXT after the arrival in Japan;
 - ⑧ Holders of dual nationality at the time of application who cannot verify that they will give up Japanese nationality by the time of the arrival in Japan;
 - ⑨ Those who change their residence status to that of other than “Student” after their arrival in Japan.

4. PERIOD OF SCHOLARSHIP

- (1) The scholarship period will last for four years from April 2018 to March 2022, including one-year preparatory education in the Japanese language and other subjects due to be provided upon arrival in Japan. For scholarship grantees majoring in maritime engineering, the scholarship period will be four and a half years, lasting up to September 2022.
- (2) Extension of period of scholarship

If a grantee graduates from a college of technology, is admitted for enrollment in an advanced course at a college of technology or, in principle, a university as a junior transferee and has outstanding academic achievement that meets certain criteria, he/she may have the period of his/her scholarship extended upon successful examination by MEXT. If a grantee completes an advanced course at a college of technology and satisfies the requirements established by the National Institution for Academic Degrees and University Evaluation, he/she may apply to the Institution for a bachelor’s degree in engineering.

5. SCHOLARSHIP BENEFITS

- (1) Allowance: 117,000 yen per month. The scholarship is cancelled in principle if the recipient is absent from the college of technology or preparatory Japanese-teaching institution for an extended period. In case that the recipient research in a designated region, 2,000 or 3,000 yen per month will be added. The monetary amount each year may be subject to change due to budgetary reasons. The scholarship will be also cancelled in principle in the following situations. If the recipient has been receiving the scholarship despite his/her falling under any of the following situations, the recipient will be ordered to return the amount of scholarship that he/she received during the period wherein he/she was involved with any of the following situations:
- ① The recipient is determined to have made a false statement on his/her application;
 - ② The recipient violates any article of his/her pledge to MEXT;
 - ③ The recipient violates any Japanese laws and is sentenced to imprisonment with or without work for life or for a period of exceeding 1 year;
 - ④ The recipient is subject to disciplinary action by the college of technology, including expulsion(The scholarship payment may be stopped during the period up until punishment is decided by the college, etc.);
 - ⑤ It has been determined that it will be impossible for the recipient to complete the course within the standard course period because of poor academic grades or suspension or leave of absence;
 - ⑥ The recipient's residence status has changed to one other than "Student";
 - ⑦ The recipient has received a scholarship from another institution (excluding those specified for research expenditures); or
 - ⑧ The recipient has proceeded to a higher level of education without receiving approval for an extension of the period of the scholarship.
- (2) Tuition and Other Fees: Fees for the entrance examination, matriculation, and tuition at universities will be paid by MEXT.
- (3) Traveling costs:
- ① Transportation to Japan: In principle, MEXT stipulates the travel schedule and route, and provides an economy-class airline ticket for the flight from the international airport closest to the recipient's residence (in principle, the country of nationality) to Narita International Airport or to any other international airport on the normal route to the accepting college. The grantee shall bear at his/her own expense all costs related to domestic travel from the grantee's residence to the nearest international airport, airport taxes, airport usage fees, special taxes necessary for travel, travel expenses within Japan (including airline transit costs), travel insurance expenses, etc. The grantee shall also bear at his/her own expense travel and lodging costs incurred in a third country if the grantee must travel to a third country before coming to Japan for visa purposes because there are no Japanese diplomatic missions in his/her country. In principle, MEXT will not provide the airline ticket in cases when the grantee arrives in Japan from a country other than the country of nationality because the grantee had moved to the country before the arrival in Japan.
 - ② Transportation from Japan: Grantees shall graduate the college of technology and return to the home country by the end of the final month of the period of scholarship (Section 4 above) designated by MEXT. Based on the Application by the grantee, MEXT, in principle, shall provide an economy-class airline ticket from Narita International Airport or the international airport used for the normal route to and from the accepting college to the international airport (in principle, in the country of nationality) nearest to the returning recipient's residence. The grantee shall bear at his/her own expense all costs related to travel from the grantee's residence to the nearest international airport, airport taxes, airport usage fees, special taxes necessary for travel, travel expenses within the country of nationality (including airline transit costs), travel insurance expenses, etc.

Note 1: Should the grantee return to the home country before the end of the period of scholarship due to personal circumstances, or reasons (1) ①~⑧ above, MEXT will not pay for the return travel expenses.

Note 2: If a grantee continues to stay in Japan after the scholarship period has ended, he/she will not be paid travel expenses to return to the home country for a temporary return.

6. SELECTION AND NOTIFICATION

(1) The Japanese diplomatic mission in those countries will conduct First Screening of applicants by means of submitted application documents, interviews and academic examinations.

[Examination subjects]

- ① All applicants wishing to study “(4) Materials engineering” must sit for examinations in Japanese, English, mathematics, and chemistry.
 - ② All applicants wishing to study in fields other than “(4) Materials engineering” must sit for examinations in Japanese, English, mathematics, and physics.
 - ③ Calculators and other devices may not be used during the written examinations.
- (2) The date and time of the notification of the results of the First Screening will be specified separately by the Japanese diplomatic mission in the applicant’s country; the reasons for the results of the screening will not be announced. Those who pass the First Screening will not necessarily be selected as recipients of the MEXT Scholarship.
- (3) Applicants who have been selected through this First Screening will be recommended to MEXT. MEXT will then conduct the Second Screening of the recommended applicants and decide the scholarship grantees. MEXT may select candidates from each field of study.
- (4) Applicants will be informed of the results of the Second Screening by the Japanese diplomatic mission in the applicant’s country by January of the year of arrival in Japan.

7. PREPARATORY EDUCATION PRIOR TO PLACEMENT AT COLLEGE OF TECHNOLOGY

- (1) Preparatory Education: Each grantee will be enrolled at a preparatory school designated by MEXT for a one-year intensive course in the Japanese language and other subjects necessary for preparation for proceeding to a college of technology. The preparatory course lasts for one year, mainly consisting of education in the Japanese language as well as in Japanese affairs, mathematics, etc.
- (2) Change of Field of Study: A grantee will not be permitted to change his/her field of study.
- (3) Point for consideration: A grantee will not be allowed to proceed to a college of technology if he/she is determined to be incapable of completing the prescribed course at the preparatory school. (The grantee will be required to return to his/her home country upon such determination. Expenses for the return to the home country will not be paid by the scholarship.)

8. EDUCATION AT COLLEGE OF TECHNOLOGY

- (1) Entrance into a College of Technology: A grantee who has completed the prescribed course at the preparatory school will go on to a college of technology designated by MEXT. The college of technology will be decided by MEXT upon consultation with the college concerned. No objection by the grantee against the decision will be allowed.
- (2) Graduation: A college of technology operates under a five-year course requiring graduation from a junior high school for entrance, but the grantees of this scholarship will be enrolled into a third-year course and receive specialized education for three years prior to graduation (or three and a half years for those who major in maritime engineering). A grantee who graduates will be awarded a diploma and an associate degree.
- (3) Language Used in Education: All classes will be given in the Japanese language.
- (4) Change of Field: The same condition as stipulated in Preparatory Education 7. (2) above applies.

9. APPLICATION PROCEDURE
